# INCIDENT MANAGEMENT SITUATION REPORT FRIDAY, APRIL 5, 1996 - 1000 MST NATIONAL PREPAREDNESS LEVEL I 

CURRENT SITUATION: Fire activity increased the past week in Texas as high temperatures and windy conditions returned. Southern Colorado also experienced large fire activity. Resource mobilization increased due to large fire activity and rotation of personnel completing 21 day assignments.

Southern Area Large Fires:

SOLO, Ozark NF. One home and a mobile home were saved by fireline construction and burnout operations. The fire was controlled last night.

DOC HOWARD, Texas State. The fire was reported to be $95 \%$ contained last night. No other information was available.

OLD PROSPECT, Texas State. This fire in Rusk County burned 1,500 acres before being contained.

KNIGHT, Texas State. This fire burned through a pine plantation earlier in the week. The fire was located near Livingston had necessitated the evacuation of some homes. The fire was controlled at 3,000 acres.
