*** ALL FIREFIGHTERS HAVE THE RIGHT TO A SAFE ASSIGNMENT.***

CURRENT SITUATION: Moderate initial attack activity continued. The Great Basin and Northern Rockies experienced new large fire activity. A Type II Incident Management Team was mobilized in the Northern Rockies. Higher temperatures and lower humidities increased fire activity on some existing large fires. Resource mobilization through NICC remained minimal. The 5th Marine Regiment, 1st Marine Division, 1st Marine Expeditionary Force (Lt. Col. Seal, Commander) are being demobilized off the Tower Fire today.

Northwest Large Fires:
