INCIDENT MANAGEMENT SITUATION REPORT MONDAY, SEPTEMBER 29, 1997 - 0530 MDT NATIONAL PREPAREDNESS LEVEL II

CURRENT SITUATION: Good progress was made on the large fires in Southern California. Northern California experienced increased large fire activity over the weekend. Several units in California continue to report very high and extreme fire indices.

NORTHERN CALIFORNIA LARGE FIRES:

WILLIAMS, Nevada-Yuba-Placer Ranger Unit, California Department of Forestry. A State Type I Incident Management Team (Finnie) is assigned. This fire is located near the community of Dobbins, CA. Over twenty homes and outbuildings have been destroyed by this fire. Approximately 200 people remain evacuated. Subsiding winds have aided firefighters containment efforts. Control problems consist of unburned vegetation inside the fire line and scattered structures throughout th e area.

PONDEROSA, Tehama-Glenn Ranger Unit, California Department of Forestry. A State Type I Incident Management Team (Posten) is assigned. This fire is located 25 miles east of Red Bluff, CA. Current threats are to scattered structures and timber resources. Rough terrain and poor access continue to hamper suppression efforts. Temperatures were in the upper 90's with 8-10% humidity yesterday.
