OUTLOOK:

Red Flag Warnings: Red Flag Warning for Northern California for the Stanislaus, Plumas, Eldorado, Tahoe, Lassen, Shasta Trinity National Forests, and adjacent CDF units. Also included is Mendocino County east of the costal strip, Lassen and Plumas counties, the west slope of the Sierra Nevada, the northern portion of the Sacramento Valley floor north of Corning for strong and gusty northeast winds and low relative humidity. Red Flag Warning continues through noon Saturday for the north and east Bay as well as Santa Clara County for offshore winds and low relative humidity.

Weather Discussion: Warmer and drier weather is on tap for much of the West as high pressure builds over the area. Gusty winds are expected to continue over portions of northern California with lighter offshore winds in southern California.
