## Northern Rockies Area (PL 4)

New fires: 21
New large incidents: 1
Uncontained large fires: 12
Type 1 IMTs committed: 3
Type 2 IMTs committed:
4

Sunrise, Lolo NF. IMT 2 (Pearson). IMT is also managing the Burdette fire. Eleven miles east of Superior, MT. Timber and brush. Extreme fire behavior with short-crown runs and long-range spotting. Structures threatened. Evacuations, road, trail and area closures in effect.

Burdette, Lolo NF. Thirteen miles southeast of Tarkio, MT. Timber. Moderate fire behavior with running, creeping and isolated torching.

Sapphire Complex (3 fires), Lolo NF. Transfer of command from IMT 2 (Leach) to IMT 2 (Thompson) will occur today. Fifteen miles southeast of Clinton, MT. Timber. Moderate fire behavior with backing, flanking and isolated torching. Structures threatened. Road, trail and area closures in effect.

Lolo Peak, Lolo NF. IMT 1 (Poncin). Ten miles southwest of Lolo, MT. Timber. Moderate fire behavior with flanking, short-crown runs and single-tree torching. Road, trail and area closures in effect.

Park Creek, Helena-Lewis and Clark NF. IMT 2 (Hutton). IMT is also managing Arrastra Creek fire. Two miles north of Lincoln, MT. Timber. Active fire behavior with flanking, backing and group torching. Structures threatened. Area closures in effect.

Arrastra Creek, Helena-Lewis and Clark NF. Six miles northwest of Lincoln, MT. Timber. Active fire behavior with backing, flanking and group torching. Area closures in effect.

Whetstone Ridge, Beaverhead/Deerlodge NF. IMT 1 (Turman). IMT is also managing the Meyers fire. Twenty-five miles southwest of Philipsburg, MT. Timber. Moderate fire behavior with backing, creeping and single-tree torching. Area closures in effect.

Meyers, Beaverhead/Deerlodge NF. Twenty-five miles southwest of Philipsburg, MT. Timber. Moderate fire behavior with backing, creeping and single-tree torching. Area closures in effect.

Bruner Mountain, Musselshell County. IMT 1 (T. Kurth). IMT is also managing the Buffalo Fire. Twelve miles southwest of Roundup, MT. Timber and short grass. Minimal fire behavior. Structures threatened. Reduction in acreage due to more accurate mapping.

Buffalo, Miles City District, BLM. Transfer of command from IMT 1 (T. Kurth) back to the local unit will occur today. Started on private land 31 miles southwest of Broadus, MT. Timber, brush and grass. Minimal fire behavior. Sage-grouse habitat threatened.

Liberty, Flathead Agency, BIA. Seventeen miles southeast of Arlee, MT. Timber. Active fire behavior with group and single-tree torching. Road, trail and area closures in effect.

Lodgepole Complex, Miles City Field Office, BLM. IMT 2 (Connell). Transfer of command back to the local unit will occur today. Fifty-two miles northwest of Jordan, MT. Timber, brush and short grass. Minimal fire behavior. Structures and sage-grouse habitat threatened.

Microwave, Crow Agency, BIA. Thirty-seven miles southeast of Billings, MT. Brush and tall grass. Minimal fire behavior.

Lightning, Fort Peck Agency, BIA. Twenty-eight miles northwest of Wolfpoint, MT. Short grass. Minimal fire behavior.

* Iron Springs, Big Horn County. Eight miles northeast of Hardin, MT. Timber. Active fire behavior with flanking and torching.

Predictive Services Discussion: Monsoonal moisture trapped within the Four Corners high pressure area will continue to trigger scattered wet and dry storms again from the Sierra and southern Cascade Crest east across the Continental Divide and into the Great Plains. Expect another day of significant lightning activity. Across the Four Corners, where the heart of the monsoon lies, conditions will be very wet. Locally heavy rainfall is possible across Arizona, New Mexico, Colorado, and West Texas. Temperatures across the West will be hot, generally 10-15 degrees above normal. Afternoon humidities will generally be in the upper teens to upper $20 \%$ range except across the Columbia Basin and the San Joaquin valley where single digit humidities are possible.

# NO COMMUNICATION LINK WITH CREW MEMBERS, SUPERVISORS \& ADJOINING FORCES 

Fire Communication Category

Watchout Situation \#7 is a danger that must be mitigated by maintaining good communications while working on fires. Firefighters must constantly ask themselves the following questions as situations change on the fireline:

- Can communications be established?
- Talk about how communications are set up on fires.
- Review situations where communications were a problem and what was done to fix the problem.
- Do you need a repeater setup or can an experienced firefighter act as a human repeater?

Is the communication triangle complete?

- Review the communication triangle and where it comes up in the "10 Standard Fire Orders" and the "18 Watchout Situations."
- Discuss ways that firefighters can maintain the communication triangle on the fireline.

Reduce the risks

- If the situation is complex, wait until communications are in place.
- Talk about the fires where crews had to leave the line, didn't go out on the line, or something negative happened because communications were inadequate. Discuss what was done to establish communications.
